<b>PERMISSION FORM FOR EMERGENCY MEDICAL TREATMENT</b>
--

On rare occasions an emergency requiring medical or hospital treatment may develop during a Guatemala program. In most cases, administration of an anesthetic, treatment or an injury, or operation on an individual cannot be done without consent of the patient. I hereby grant permission to the World Pilgrim staff to authorize the administration of such antibiotics, immunizations, anesthesia, and other medications, and to hospitalize and provide such treatment for myself that they consider appropriate based on the advice they have received.

I hereby further waive and release any claim I may have against the World Pilgrim Staff/Program, its employees, sponsors, and representatives in regard to these decisions in the administration of emergency medical treatment as described herein.
